Fuel Tanks Serb. Carb.	5800 lt	Water Tanks Serbatoio Acqua	1200 lt	Generator Generatore	2 x 17.0 kW

GENERAL NOTES

The Posillipo 70 Technema is one of the most successful model of the renowned builder and was presented during the 1999 Genova Boat Show. This model follows the family feeling for this historical Italian brand, with the inimitable Technema hull and it's particular wings and a conservative yet modern superstructure based on the lines of the 70 and 80 models, designed by renowned architect Giovanni Zuccon.

Perfect 4 cabins layout, fully equipped !!!
