## Machinery

### Main Engines

Engine Type: (2) MTU 20V4000 M93 diesels @ 5240 Hp each  
Gearboxes for Main Engines: ZF 23560C

### Generators & Electricity

Output: 380V/50HZ  
Generators: (2) 125 KW Kohler generators  
Generator Fuel Consumption: 375L/Day  
Shore Power: (1) 108 KVA Magnus Marine shore convertor  
Batteries: (1) 24V gel battery set 800A/h for services  
(2) 24V gel battery sets 400A/h for main engine starting and gensets  
(1) 24V gel battery set 200A/h for engine electronics and emergency lighting  
(1) 24V gel battery set 200A/h for GMDSS electronics

### Air Conditioning

Type: Webasto chilled water system

### Other Machinery

Watermakers: WMSQ-3000-400V (3000 GALLONS) WATERMAKER INC  
Stabilizers: Quantum QC-1800 Zero Speed  
Bow Thruster: 90KW Sauer Danfoss  
Fuel Separator & Filtration: Alfa Laval MAB 104. SEIMI 500-OCD CM  
Bilge Water Separator: Heli-Sep oily water separator

Sleeps up to 12 in the Owner's party in 6 staterooms, plus crew accommodations for up to 10 in 5 cabins

## General

### Salon and Dinning Areas

Equipped with spacious galley, a laundry room and pantry between galley and salon for service, with a food lift from galley to flybridge, LAPELLEGRINA offers a genuine 5-star hotel service on board.

Guests are welcomed into the main salon where ample natural light shines in through the floor to ceiling windows which allows the salon in a pleasant and soothing atmosphere, and also providing guests with panoramic views. Her Interior design is set in a contemporary setting which is complemented by the modern furniture used. The glossy white and lacquered woodwork further enhances this contemporary feel when guest are on board.

The formal dining table on the main deck salon seats up to 10 guests comfortably and set up with color hues of silver and white to compliment the overall ambience of the salon. Guests are spoiled for choice as to here they can lounge and relax. The sundeck offers guests a sun lounging area with the sun pads or simply enjoy a soak in the relaxing jacuzzi. By the bar, the central table seats 10 guests and it is perfect setting for alfresco dining and entertainment

# LA PELLEGRINA

## Owner

On the upper deck is where the luxurious large master cabin is located. This full beam master cabin comes with a large walk-in wardrobe and en-suite, providing the owner with the highest level of comfort. Her en-suite provides a spacious bathtub, separate toilet area and shower room. The master cabin is the statement of contemporary and stylish at the same time. On the outside, the aft deck is spacious and the large U-shaped lounge provides a private lounging space for the owner

## Guests

On the main deck at the fore front, the VIP cabin delivers a panoramic view thanks to the semi-circle arrangement windows. This also lets in natural light which reflects of the high ceilings of the cabin. The minimalistic use of the furniture and choice of the white and soft colors create a luxurious and ambient atmosphere for guests. The four guest cabins, two doubles and two twins, located on the lower deck each have their own en-suite in white marble, big shower areas and plenty of storage areas

## Crew

Accommodates up to 10 crew in 5 cabins

# LA PELLEGRINA

## Comments

LA PELLEGRINA: the Couach 5000 fly flagship is a real head turner: hull and superstructure fully built in glass Kevlar Carbon reinforced, 500m2 living space, two large upper decks, new generation engines (2) MTU 5280 HP, top speed 25 knots.  
For the first time ever , the advantages of a composite construction; light and easy to handle, fast , sturdy and those of aluminum flagships: spacious, stable , comfortable, are brought together in a 50 meter yacht
